A1149-100

LHD CABLE ACCESSORY - BRACKET "J CLIP", W/ SLEEVE (100 pack)

J-clip

With the lower bend of the ‘J’ acting as a ready-made support for our LHD cable, this enables the early stages of cable installation to be by-passed, and allows the installer to maintain an additional point of contact with their ladder/lift. Creating quicker install times, and reduced resource requirements.

Details

- Easy installation of linear heat cable
- For use on cable trays
- Available in stainless steel
- Available in quantities of 100
- Provides 50%+ quicker installation time, and safer working from height when compared to the L Clip
