TVD-LWB-S

Tettuccio superiore per il modello TruVision TVD-LWB-1/2 per la protezione dalla pioggia.

Overview

TruVision camera mounts are part of a modular system that allows users to mount TruVision cameras in a variety of positions to meet the needs of each application. TruVision camera mounts are designed for use with fixed bullet, wedge and mini dome cameras and feature rugged construction suitable for indoor and outdoor environments.

The TVD-LWB-S provides the required protection to install the already available TVD-LWB-1/2 series outdoors.
