N-MC-AFM-R

ActivSense™ Accessory - Intelligent Flush Mount Adapter - Red

General

The innovative ActivSense range of enhanced intelligent addressable devices offers advanced features for reliability and peace of mind. Coupled with patented features for ease of installation and maintenance of both new and legacy fire detection systems, it's a perfect match for exceptional overall performance.

The N-MC-AFM-R manual call point recess mount accessory allows for mounting the ActivSense series manual call points on an embedded wall box. It reduces the overall protruding height of the manual call point substantially thereby improving the aesthetics of the device when fitted to the wall.

Details

- Allows for easy manual call point recess mounting, reducing the height of the ActivSense manual call point on the wall
- Various fitment options allow for installation on most high quality European wall boxes
