ATS1460

(10 pack)Secure ATS tamper proof sticker

Product overview

The tamper proof sticker offers a solution for a secure environment where card data is protected with Mifare Desfire EV2 encryption. The sticker can be used to migrate to secure card technologies. It can be used in secure mode with ATS118x range readers and ATS1136 keypad.
When used on other Mifare Readers the standard Mifare 7-byte CSN is provided instead of the secure card data.

Details

- Tamper proof sticker
- Add to other card type to support transfer form old to new technology
- Mifare Desfire EV2 encrypted application

ATS1460
